Yellowstone’s Winter Wonderland
February 25 – March 1, 2024
TOUR RATING: EASY/MODERATE

Geyser basins and snow-covered landscapes await in the winter wonderland of Yellowstone. Winter is a fantastic time for wildlife watching and your guide will take you to the best spots to see bison, elk, bighorn sheep, and possibly even one of the resident wolf packs. We will board special snow coaches that will transport us over the closed roads of Yellowstone to Old Faithful. Once there try out a pair of snowshoes, put on some cross-country skis, or simply walk the boardwalks right from the lodge.

Itinerary

DAY 1  Sunday, February 25 - Arrivals in Bozeman, MT
Arrive in time for a welcome orientation this evening before a group dinner together to get you ready for the adventure ahead. Best Western Plus Grantree Inn. Meals included: Dinner

DAY 2  Monday, February 26 - Transfer to West Yellowstone
Today we shuttle 2 hours to our new lodging in West Yellowstone. Along the way we'll stop for lunch in Big Sky and have the option to explore the winter wonderland on snow shoes or cross country skis. Staying in West Yellowstone tonight positions us well for a full day of exploration in the park tomorrow. Golden Stone Inn. Meals included: Breakfast, Lunch & Dinner

DAY 3  Tuesday, February 27 - Snow Coach Tour to Old Faithful
A special treat of Yellowstone in the winter is the heated snow coach – a modified van with oversized tires designed to safely traverse the roads closed due to winter snow conditions in the Southern half of the park. Mid-day we will stop at Old Faithful to explore the surrounding Upper Geyser Basin on foot and have lunch before returning by snow coach to West Yellowstone. Golden Stone Inn. Meals included: Breakfast, Lunch & Dinner

DAY 4  Wednesday, February 28 - Gardiner & Mammoth Hot Springs
After breakfast we transfer 3 hour to the north side of the park following the Yellowstone River as we head south along the Old Yellowstone Trail where we may spot pronghorn and bison before passing through Roosevelt Arch on our way to Mammoth Hot Springs. In the afternoon we walk the Lower Terrace and those who are looking for a bit more adventure can walk or snowshoe the Upper Terrace. Keep your camera ready as you never know when a resident elk will make a visit to warm themselves at the thermal springs. After we’ll shuttle to our new home for the next two nights. Sage Lodge. Meals included: Breakfast, Lunch & Dinner

DAY 5  Thursday, February 29 Lamar Valley Wildlife Viewing
Our day is devoted to wildlife viewing in the snow-covered Lamar Valley. Your guide will get a spotting scope out to get a better look at the resident bison using their heads to move away the snow to get to the grass below, bighorn sheep on the cliff sides, and – with luck – the gray wolves out hunting to survive the long Yellowstone winter. We will have lunch in Cooke City on the eastern side of the park before returning to the hotel taking our time to spot more wildlife this afternoon. Meals included: Breakfast, Lunch & Dinner

DAY 6  Friday, March 1 - Bozeman & Return Flights
After enjoying breakfast at the hotel, we will make our way back to Bozeman where you can extend your stay or fly home. Meals included: Breakfast
